

REVITALIZE

# USER GUIDE

REVITALIZE APP

Luke Schipper  
2020

## **Aim and Audience**

This document is aimed at those who are using the Revitalize system for the first time or need assistance. It will serve as a guide for navigating webpages and making use of some of the features that are available on the website.

Each section of the guide was designed with the assumption that the user is starting on the About Us page of the application.

  - d. Doing Surveys
- 10) [Accessing the lab values page](#)
- 11) [Accessing the Dietary Journal](#)
- 12) [Accessing the Goal Progress](#)

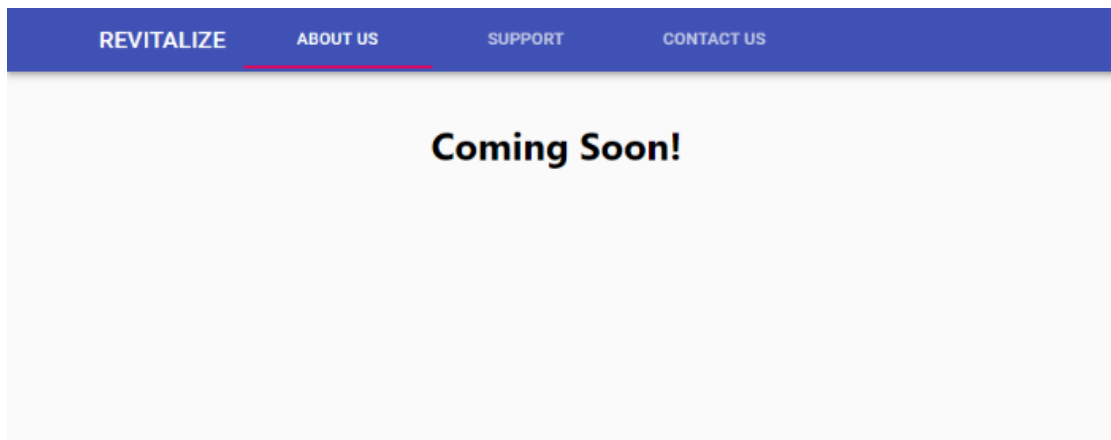

## **The Home Screen View**

On this page, once you have landed on the Revitalize App webpage, you will be greeted with the About US, Support, and Contact tabs. To the right of the header tabs will be the Language selector and the Sign In button for which you may use to log into your account.

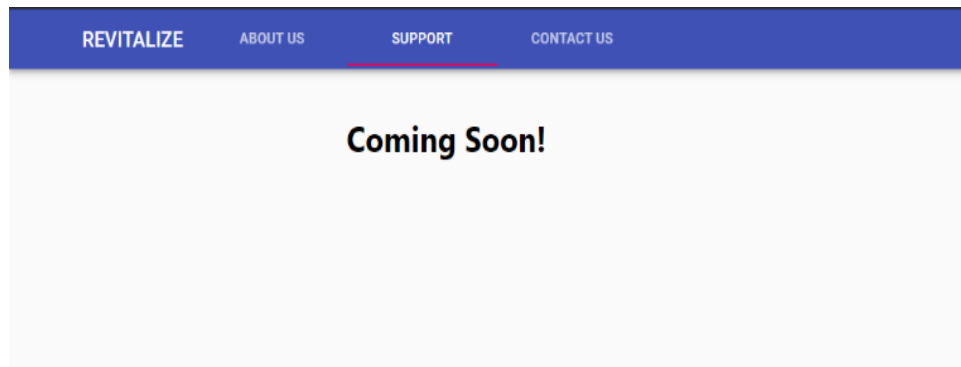

## **The About Us Page**

The About Us page doubles as the landing page and is the first visited page on the website when not logged in. The page will contain details of the team behind the website and the goal the website aims to achieve for its clients.

### **The Support Page**

The Support Page is positioned beside the About Us page and will possess information on how to get quick support via FAQs and such.

### **The Contact Us page**

The Contact Us tab in the header will navigate you to the Contact Us page which will possess the information to call or attain customer support help.

## **The Language Selector (Changing the language)**

If English is not your default language, there is a drop down with a language globe icon at the top right corner of the webpage which will assist you with changing your language between the ones that are available.

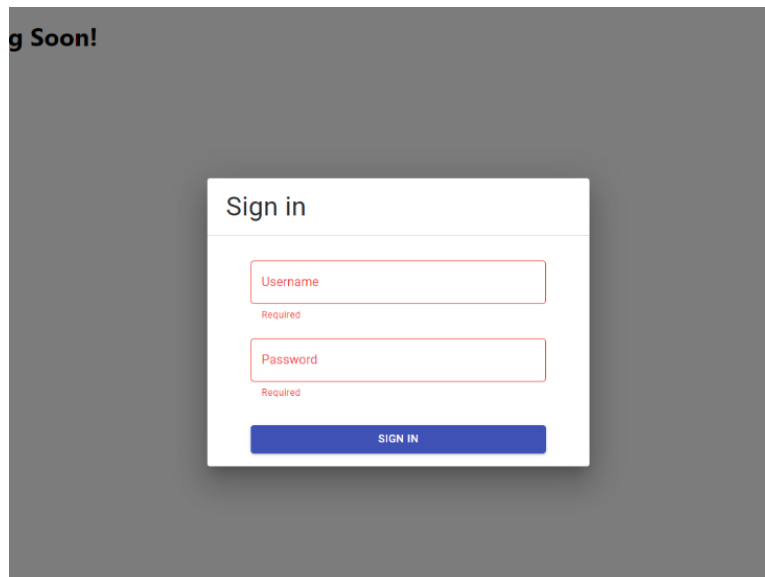

## **Signing into your account**

If you already have an account, you will be able to log into your account using the “SIGN IN” button to the top right of your screen.

It will bring up a popup which will require you to enter in your username and your password and will highlight in red if data is not present in these important fields.

A screenshot of a 'Sign in' popup form. The form is white with a blue border and is centered on a dark gray background. It has a title 'Sign in' at the top. Below the title are two input fields: 'Username' and 'Password'. Both fields have a red border and the word 'Required' in red text below them. At the bottom of the form is a blue button with the text 'SIGN IN' in white.

If you input the wrong information into the username and the password when you sign in, you will be met with a notification at the top of the screen stating that you have input in the wrong information.

After you have logged into your account and you wish to log out of the account, you will be able to do so by heading to the top right part of the screen and clicking

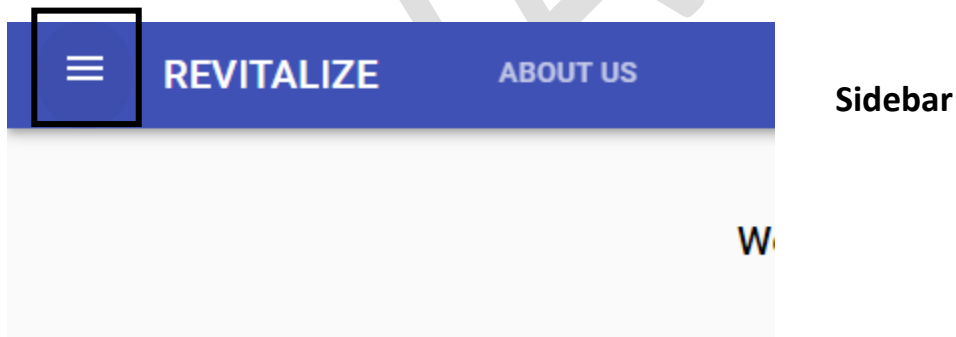

on the log out link that is present right beside the profile login name. The profile name along with the avatar icon will be visible once the user is logged in.

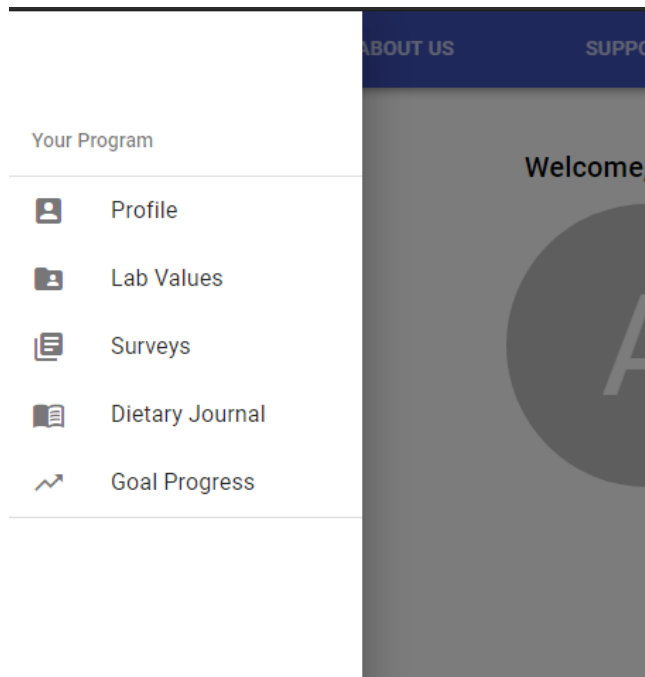

### Accessing the Sidebar

The side panel is only visible and accessible to users who are logged in to their account. It looks like 3 horizontal lines and is placed besides the REVITALIZE name plate at the top left of the page.

In there you will be able to access the “Your Program” view which contains the Profile, Lab Values, Surveys, Dietary Journal and Goal Progress.

### **Accessing the Profile Screen**

When you are logged into the system, you will be able to view the Profile page of your account. There you will find your name in the top right corner of the screen with a “sign out” link and Icon. At the centre container of the page you will see your profile icon, your name and your profile information screen which has a drop down to be able to view more information. Below the information panel, you will have a view of your ‘Summary of Lab Values’ and ‘Summary of Surveys’ both of which have links called “see more” which will take you to their main Survey and Lab Value Pages.

Welcome, One!

## Information

First Name	One
Last Name	A
Email	one@test.com
Physician	TestOnePhysician

## Summary of Lab Values

[See More](#)

### Current Physical Measurements

Height: 73.9 m

Weight: 30.2 kg

### Recent Lab Values

Name	Value	Unit	Submission Date
BMI	19		April 26, 2020 9:06 AM
BMI	17		April 26, 2020 9:07 AM
Weight	30	kg	April 26, 2020 8:59 AM
Height	73	m	April 26, 2020 8:55 AM

## Summary of Surveys

[See More](#)

### Recent Surveys

Name	Submission Date
My New Survey	April 26, 2020 10:10 AM

## Accessing the Survey Page

There are two ways to access the Survey Page, both of which will require you to be logged into your User account to be able to view. You can access the Survey Page by clicking on the “see more” link in the profile page and you can also access the survey page by accessing the side panel to view Your Program and clicking on

the Surveys link that is visible. On the Survey page, you will be presented with 2 tables, one named “Available Surveys” and the other named “Survey History”.

Most recent survey:

- Self-Efficacy for Managing Chronic Disease 6-item Scale on April 1, 2020 1:01 AM

### Available Surveys

Name	Description
Self-Efficacy for Managing Chronic Disease 6-item Scale	This 6-item scale contains items taken from several SE scales developed for the Chronic Disease Self Management study.
The RAND 36-Item Health Survey	The RAND 36-Item Health Survey (Version 1.0) laps eight concepts: physical functioning, bodily pain, role limitations due to physical health problems, role limitations due to personal or emotional problems, emotional well-being, social functioning, energy/fatigue, and general health perceptions. It also includes a single item that provides an indication of perceived change in health.
Patient Health Questionnaire 9	The Patient Health Questionnaire 9 is a multipurpose instrument for screening, diagnosing, monitoring and measuring the severity of depression.
Generalized Anxiety Disorder 7-item Scale	The Generalized Anxiety Disorder 7-item Scale measures the severity of anxiety.

Click on a row to select a survey.

DO SURVEY

On the “Available Surveys” table, you will be able to see the surveys that are currently available and awaiting your completion. You will also be able to see the “Do Survey” button, this is selectable only after you have selected a survey which you wish to do. The survey will be displayed for you to complete on the screen. When you are done, you will be able to submit the survey, then it will be added to your recent surveys.

### Generalized Anxiety Disorder 7-item Scale

The Generalized Anxiety Disorder 7-item Scale measures the severity of anxiety.

Over the last 2 weeks, how often have you been bothered by the following problems?

1: Feeling nervous, anxious, or on edge

☐

Not at all sure

☐

Several days

☒

Over half the days

☐

Nearly every day

2: Not being able to stop or control worrying

☐

Not at all sure

☐

Several days

☒

Over half the days

☐

Nearly every day

3: Worrying too much about different things

☐

Not at all sure

☐

Several days

☒

Over half the days

☐

Nearly every day

6: Becoming easily annoyed or irritable

☐

Not at all sure

☐

Several days

☒

Over half the days

☐

Nearly every day

7: Feeling afraid as if something awful might happen

☐

Not at all sure

☐

Several days

☒

Over half the days

☐

Nearly every day

If you checked off any problems, how difficult have these made it for you to do your work, take care of things at home, or get along with other people?

☐

Not difficult at all

☐

Somewhat difficult

☒

Very difficult

☐

Extremely difficult
